We will have our gently-used uniform collection available for you to “shop” (meaning please take everything you can!) at Back to School Night. Some families are able to find all the uniform items they need in our gently-used collection. Many families also rely on Target, Old Navy, Walmart, etc. We also have a school account online at Lands’ End.

Embroidered ICS logos are **not** necessary in K-4, but if you want to buy them they can be purchased from Lands’ End, or you can bring your own polo shirts to Triple Play Sports at 9th & Christian for embroidery.
