

8th Grade Supply List 2019-2020

Please note that all supplies will be collected and shared by the class, with the exception of the binders and calculators. **Please do not label other items**, as this may cause conflict during the year.

PLEASE DO NOT send space savers or pencil boxes.

All supplies will be collected the first week of school. If you are sending them in a grocery bag, please label that bag. As the year progresses, some supplies might need to be replenished (especially tissues), so we will send a note home when needed to ask you for more generous donations.
